[illegible]

A high-contrast, black and white photograph showing a rectangular sign with the text 'STAATS-GRENZE' (State Border) in bold, sans-serif capital letters. The sign is mounted on a light-colored wooden post. It is situated in a field of dense, low-lying vegetation, possibly wildflowers or weeds, which are rendered in stark white against a deep black background. The lighting is harsh, creating a dramatic, almost graphic effect. The sign is positioned slightly to the right of the center of the frame.

STAATS-
GRENZE

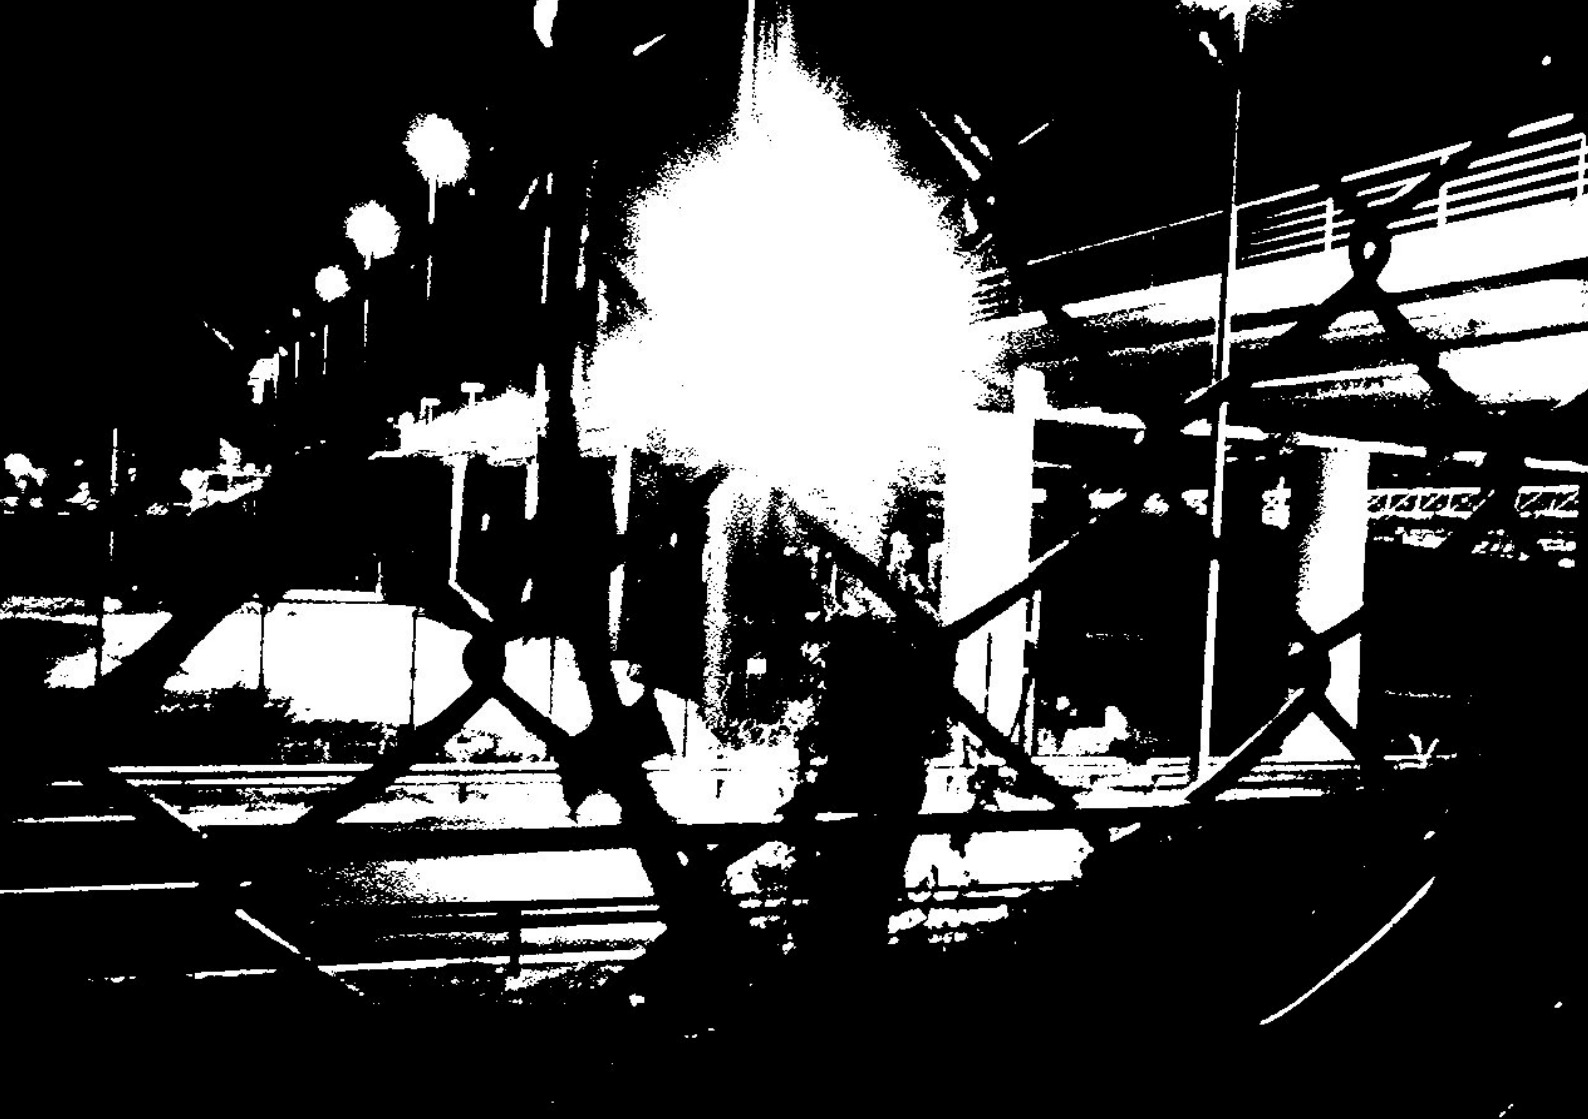

A high-contrast, black and white photograph of a grassy field. In the foreground, there is a dense patch of tall grass. A wooden signpost is planted in the ground, holding a rectangular sign. The sign has the word "POZOR!" in large, bold, capital letters, and below it, the words "Státní hranice" in a smaller, sans-serif font. The background shows a flat, grassy expanse leading to a line of dark, silhouetted trees under a bright sky.
